Our Services

MJB Wood is known for exceptional customer service. We deliver a quality product, designed to your specifications, on time, every time. We offer a variety of solutions to create a seamless experience to optimize your supply chain.

Our services include:

- ➔ Domestic manufacturing at our plants in Texas, Arkansas, South Carolina as well as strategic partnerships throughout the U.S.
- ➔ Global sourcing options in Indonesia, Vietnam, Russia, and South America, including MJB factories in Indonesia
- ➔ Vendor-managed inventories
- ➔ Mixed truckload quantities
- ➔ Custom profiles available upon request

Manufacturing Solutions

In addition to our “Cut to size TFL products”, MJB offers a variety of other manufactured components and value added services to include laminated panel products, cut-to-size components and fully machined parts. Whether your manufacturing needs require just-in-time capacity for fill-in business or volume programs, MJB has a solution to fit your needs.

Our solutions include:

- ➔ MDF moulding
- ➔ Routing and Machining
- ➔ Drilling
- ➔ Laminating and Edgebanding
- ➔ Priming, Painting and Finishing
- ➔ Assembly and Packaging
